## Andrew Dyson

### Rover

Andrew has a variety of roving characters suitable for any occasion from festivals and fetes to corporate functions and events. His repertoire includes:

#### Traditional roving juggler

All the great tricks from his Ladder Juggle Act in mobile form. Balls, Rings, Clubs, Diabolo, and a Freestanding Ladder.

#### Juggling Chef

This Juggling Chef knows how to cook up a storm. Five Fruit Juggle, Cooking Utensils, Plate Manipulation, and Dangerous Knives make up this crazy one man mobile kitchen!

#### Comic Tennis Player

Tennis has never been so much fun, until now. Tennis props are juggled, a body is contorted through a tennis racquet, and crowds are left cheering – C'mon!

#### Stilts

Put your entertainment heads and shoulders above the crowds. Easily seen walking around festivals juggling, greeting and putting smiles on kids faces.
