## THE HAPPY COOKS (A Comedic Circus Act)

Whilst maintaining timeless appeal, the Happy Cooks bring a contemporary spin to classic routines. Dressed in striking chefs outfits, the three performers toss and spin plates, balance crockery on sticks held by their teeth, and juggle fruit, whisks and knives between each other. Alongside top class circus skills, the three performers blend in uproarious knockabout comedy. Utilising acrobatic skills the cooks climb over each other whilst juggling and manipulating saucepans, cups and spoons. Audience members are wooed with a ukulele and a magically produced bunch of flowers. The Happy Cooks are an act suitable for most audiences and events.

This act can be adapted to last between 7 – 15 minutes.
